

SWGDOG SC10 – Outreach and Education

Posted for Public Comment 5/24/10 – 7/22/10. Approved by membership 9/15/10.

Statement of Purpose: To share ideas of consensus-based best practices and research with stakeholders in the legal, scientific, and canine communities. In addition, SC10, will provide a mechanism for feedback to best measure SWGDOG’s effectiveness within the canine community.

1. OBJECTIVES:

- 1.1. To share information about the goals and mission of SWGDOG through presentations, written materials, and personal contacts.
- 1.2. To promote and facilitate education about the practical utilization of consensus-based best practice guidelines throughout the legal, scientific, and canine communities.
- 1.3. To bring together organizations and/or individuals to utilize the recommended SWGDOG best practices.
- 1.4. To provide educational information on related technological updates.
- 1.5. To provide a common forum for exchange and dissemination of information as knowledge in the field advances and expands.
- 1.6. To compile and disseminate suggestions from the detector dog communities to the membership of SWGDOG.
